¹ Prepared for ready reference and comparison purposes. Because of the impossibility of giving qualifications and alternatives in brief summary form, the State law and State Employment Security Agency should be consulted for authoritative information. In general, the State laws cover employment in most types of business and industry, except employment for railroads which is covered by a separate Federal law.

² Annual wages in excess of \$3,000 per worker excluded from employer contributions except in Idaho and Nevada.

³ w.b.a.—abbreviation for "weekly benefit amount."

⁴ Lower maximum rates and duration are provided when balance in the fund is less than \$40,000,000.

State and type of fund ²	Size of firms covered (no. of employes)	Eligibility	Weeks of initial waiting period	Weekly benefit rate total unemployment	Maximum payment per week	Minimum payment per week	Weekly benefit rate per full unemployment	Duration in 52-week period (lesser amount below applies)	
								Total amount of benefits (proportion of wages)	Maximum number of weeks payable

5 Payable in any "benefit period."
6 Including uncompleted quarter in which waiting period is served.
7 Benefit duration for lower wage classes is less.
8 Lesser of \$200 or 30 percent of base period wages if such wages are less than \$800.
9 No partial benefits paid, but wages not exceeding \$3.00 for 7 consecutive days are disregarded.
10 Partial benefits are reduced by 1/3 of w.b.a. for each normal work day during which the individual is unable to, or unavailable for, work. An eligible individual unemployed for 6 or less consecutive days, shall be paid benefits equal to 1/7 of the w.b.a. for each such day, less any wages payable during such period.
